# Super Savers

## Value for money budget breaks

Make your budget go further by letting us surprise you with our choice of destination.

The first surprise is how much you can save by taking a Super Saver holiday. We **GUARANTEE A SAVING OF AT LEAST 10%** and savings can be as high as 30% - amounting to a whopping £100 per person! The second pleasant surprise comes when we inform you approximately 14 days prior to departure which destination we have chosen for you. Part of the fun is not knowing where you will be going, but safe in the knowledge that you will be staying at one of our Leisureplex Hotels\*.

*It's simple, all you need to do is:*

**1**

Choose the date on which you wish to travel and the length of holiday you want. There are 5, 7 and 8 day durations available to select.

**2**

You can book your holiday online at [alfatravel.co.uk](http://alfatravel.co.uk), over the phone with our friendly reservations team or visit your local travel agent.

**3**

When you book, we send you a Confirmation showing the date, duration and cost of your holiday and a provisional seat allocation but the destination remains a mystery!

**4**

14 days prior to departure, we choose the destination for your holiday and send you a new Confirmation showing the holiday we have chosen for you including the seat you have been allocated.

### NOTES:

- It is not possible to reserve specific seats on Super Saver holidays and the seat number shown on your initial Super Saver Confirmation is a notional one only. The actual seat allocated will be shown on the Final Confirmation which you will receive approximately 14 days prior to departure.
- Because of the limited time between final allocation of your holiday and departure, we regret that it is not possible to operate our Special Requirements procedure on Super Saver holidays.
- Where clients book 8 day holidays, we reserve the right to amend your departure date by one day (from a Saturday - Saturday holiday to a Sunday - Sunday holiday or vice versa). In all other cases, the date of departure of your Super Saver will be the date of your actual departure.
- Super Saver prices exclude insurance and any single room supplements.

- All Super Saver rooms are sold as standard rooms and it is not possible to book sea view rooms. On rare occasions clients booking a Super Saver may be allocated a sea view room. If so, this will be at our expense - making your saving even greater!
- Your Super Saver destination is selected at the discretion of Alfa Travel and in booking a Super Saver holiday you undertake to accept whichever Hotel is allocated to you. The only exception to this is that if you have been to the allocated hotel with us within the previous 6 months, you may request an alternative which we will attempt to provide, but if no alternative is possible you undertake to travel to the resort we have selected.
- \* There are occasions when our Super Saver tours will stay at one of our carefully chosen partner hotels. This will be shown on the final confirmation which you will receive 14 days prior to departure. Room type may change due to availability at time of allocating.
