### NOTES:

- It is not possible to reserve specific seats on Super Saver holidays and the seat number shown on your initial Super Saver Confirmation is a notional one only. The actual seat allocated will be shown on the Final Confirmation which you will receive approximately 14 days prior to departure.
- Because of the limited time between final allocation of your holiday and departure, we regret that it is not possible to operate our Special Requirements procedure on Super Saver holidays.
- Super Saver prices exclude insurance and any single room supplements.
- All Super Saver rooms are sold as standard rooms and it is not possible to book sea view rooms. On rare occasions clients booking a Super Saver may be allocated a sea view room. If so, this will be at our expense – making your saving even greater!

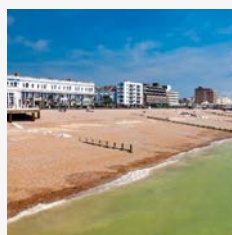

- Your Super Saver destination is selected at the discretion of Alfa Travel and in booking a Super Saver holiday you undertake to accept whichever Hotel is allocated to you. The only exception to this is that if you have been to the allocated hotel with us within the previous 6 months, you may request an alternative which we will attempt to provide, but if no alternative is possible you undertake to travel to the resort we have selected.

- \* There are occasions when our Super Saver tours will stay at one of our carefully chosen partner hotels. This will be shown on the final confirmation which you will receive approximately 14 days prior to departure.
