**4 DAYS** 

## How does it work?

Choose the date on which you wish to travel and the length of holiday you want. There are varying durations to choose from. When you book, we will send you confirmation showing the date, duration and cost of your holiday and a provisional seat allocation but the destination remains a mystery! You can book your holiday online at alfatravel.co.uk, over the phone with our friendly reservations team or visit your local travel agent. We choose the destination for your holiday and send you a new confirmation showing the holiday we have chosen for you, including the seat you have been allocated.

#### **Super Saver Terms and Conditions:**

- · It is not possible to reserve specific seats on Super Saver holidays and the seat number shown on your initial Super Saver confirmation is a notional one only. The actual seat allocated will be shown on the final confirmation.
- Because of the limited time between final allocation of your holiday and departure, we regret that it is not possible to operate our Special Requirements procedure on Super Saver holidavs.
- All Super Saver rooms are sold as standard rooms and it is not possible to book sea view rooms. On rare occasions clients booking a Super Saver may be allocated a sea view room. If so, this will be at our expense - making your saving even
- · Your Super Saver destination is selected at the discretion of Alfa Travel and in booking a Super Saver holiday you undertake to accept whichever hotel is allocated to you. The only exception to this is that if you have been to the allocated hotel with us within the previous 6 months, you may request an alternative which we will attempt to provide, but if no alternative is possible you undertake to travel to the resort we have selected
- · There are occasions when our Super Saver tours will stay at one of our carefully chosen partner hotels
